Your Merrymeeting Lake Association

“Protecting the beauty and quality of Merrymeeting Lake”

Membership is the key to our continued stewardship of Merrymeeting Lake

Key MMLA programs are listed below. The majority of our budget goes to supporting these programs. Member dues are the primary funding source to ensure that Merrymeeting Lake continues to be one of the most pristine lakes in the country.

- MMLA/UNH weekly water testing
- Lake Host greeters at the boat ramp to check for invasive species
- Ongoing work with NH Lakes, UNH, and New Durham officials to continue focus on the quality of the Merrymeeting Lake watershed

Please join and help support these programs.

IF YOU'VE BEEN A MEMBER IN THE PAST, THANK YOU!
