Member Strong = MMLA Strong!

Thanks to incredible support of our members and our partnership with the Southeast Land Trust, the MMLA celebrated another giant step forward in conservation and watershed protection in 2020. The Birch Ridge Community Forest acreage was increased by 32%, and Mount Molly is now conserved forever for the enjoyment of outdoor recreation.

In addition to our conservation work, we organized fun and safe events for the Merrymeeting Lake community with our Boat Parade and first ever Music on the Lake.

As we continue to work on your behalf, your membership is important to help us in our efforts to protect our treasured lake and bring family friendly events to the Merrymeeting Lake community.

Your 2021 MMLA Membership Matters

PO Box 468, New Durham, NH 03855

Your Membership Dollars at Work

The MMLA budget is funded by member dues, which have not increased since 2010, despite rising operational costs. A growing membership is key to the MMLA's preserve-and-protect programs and strategic partnerships, including:

- ❖ Lake hosts at public launch to inspect watercraft/trailers for invasive species
- ❖ Annual spring roadside cleanup
- ❖ MMLA/UNH weekly water testing
- ❖ Land conservation for long-term protection of the lake and watershed
- ❖ Partnerships with NH Lakes Association, Southeast Land Trust, Moose Mountains Regional Greenways, and Loon Preservation Committee

A Strong, Successful MMLA Depends on You
